Other Supplies

Transfer Paper (black or white), water basin, painter's tape, paper towels, Blow Dryer (cold setting) & stylus. DecoArt Stencil: ADS29 – Serendipity

DecoArt Stylin Paints

White, Black, Green, Blue, Turquoise, Aqua, Yellow, Chestnut, and Gold

Brushes

3/4", #6 & #8 Flats, 3/8" & 1/4" Angle brushes, Stencil brush & a liner brush of choice (You want the brushes to be soft synthetic bristles)

Pattern

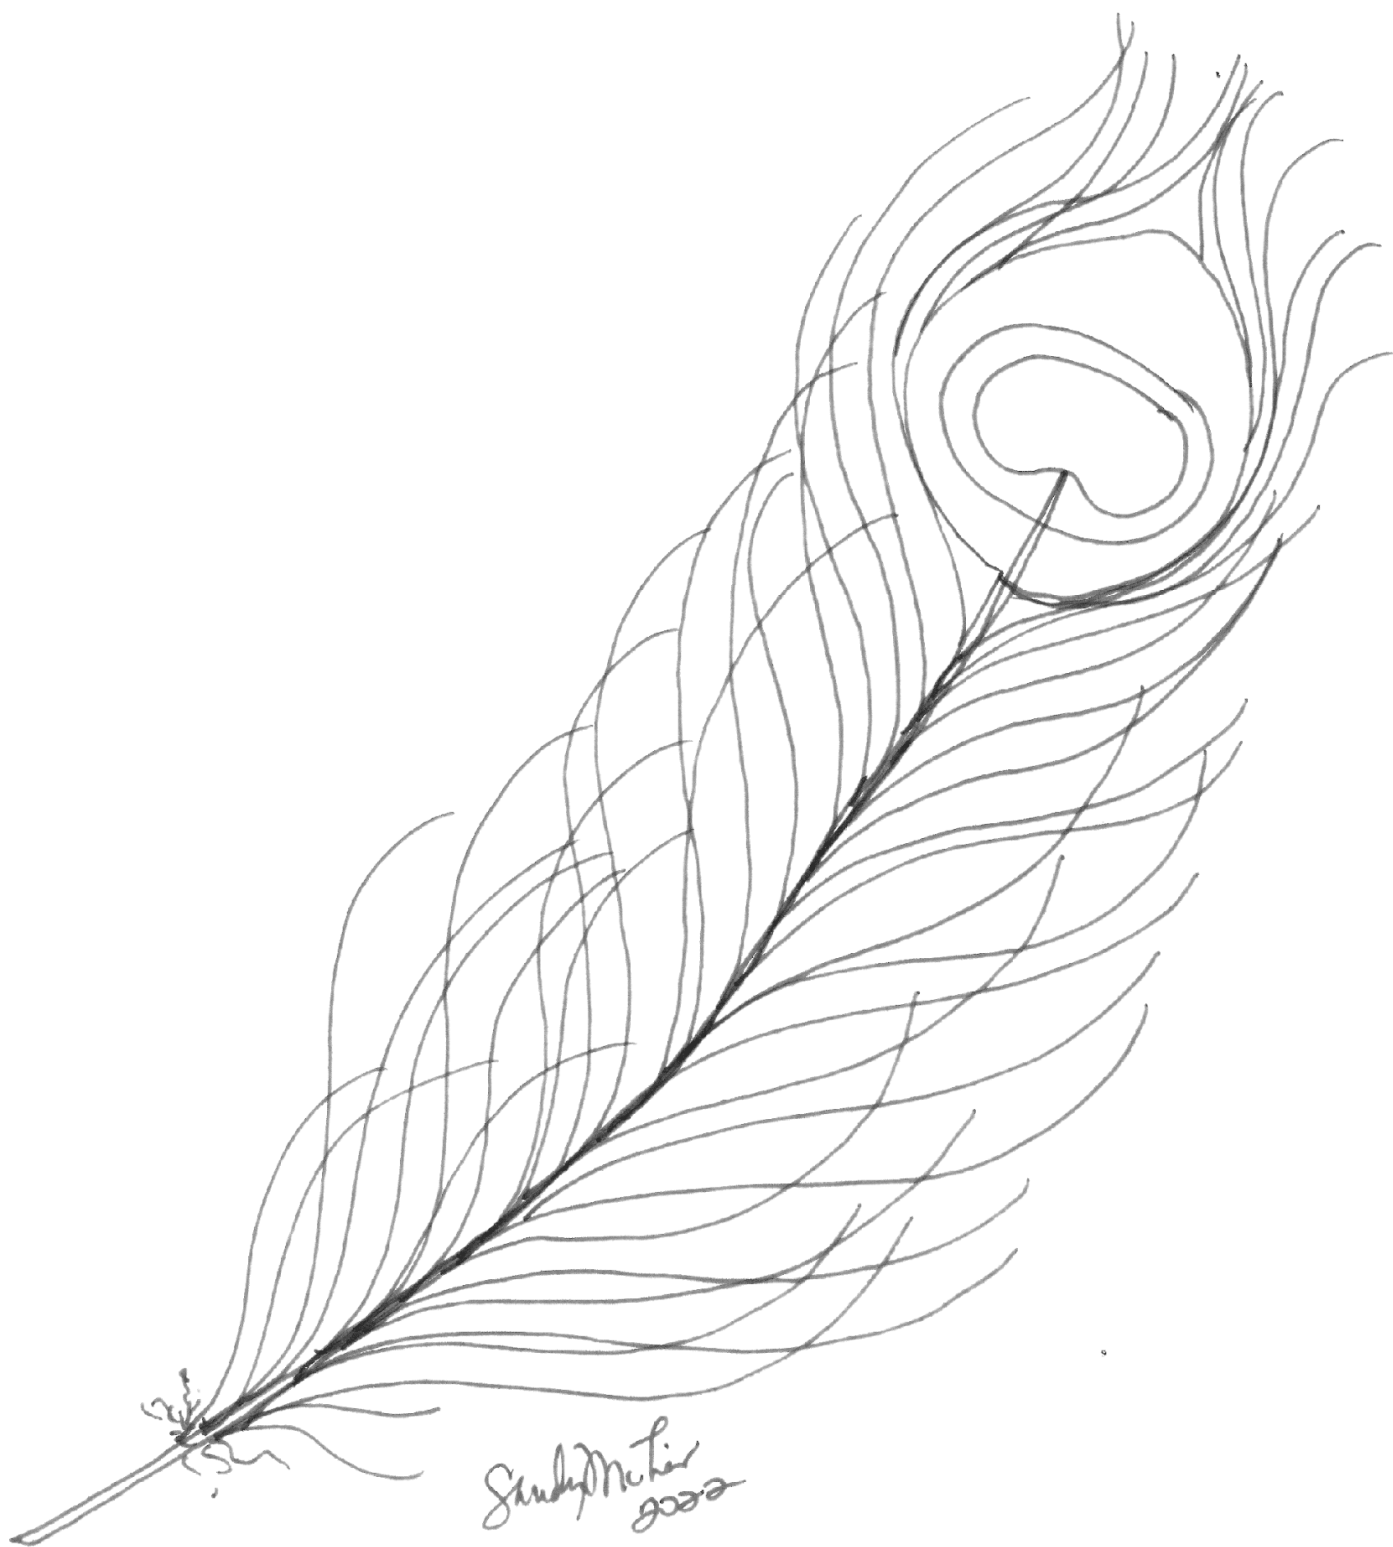

Trace the pattern on your surface is necessary using transfer paper (black or white) You can find both at DecoArt.com TIP: Use very little pressure to minimize the dark lines.

Tips

- Apply paint evenly with a soft bristled brush. Allow to dry between coats. Cure for 24-48 hrs. Water-resistant. Water-based. Permanent. Soap and water clean up.
- Clean surface thoroughly for best paint adhesion.
- If working in an area that overlaps (like a purse that has a flap for instance) cover that area with wax paper or freezer paper.
- Watch for drips on vertical areas and immediately smooth out with brush.
- Paint in layers allowing the previous layer to dry.
- Covers in one to two coats depending on color of surface and color of paint
- Colors are intermixable, so creating custom colors is easy!
- For watercolor effects, thin paint with water up to 20%.
- Built-in sealer
